Reception of Holy Communion under Both Kinds.

The Church teaches that, although Holy Communion is received fully under one kind, “Holy Communion has a fuller form as a sign when it takes place under both kinds. For in this form the sign of the Eucharistic banquet is more clearly evident.” (Catechism of the Catholic Church 1390).

For this reason we will introduce Holy Communion under both kinds at Sunday Masses, starting today. Please keep left when you come up to receive and when you return to your place.
