

Children's Liturgy from another parish we can share with you.

May I introduce you to Emily, a primary teacher, children's liturgy catechist and mother of 4 children.

Since the lockdown Emily been creating children's liturgy videos so that children can still have access to some form of children's liturgy sessions.

The Facebook page which Emily has created to share resources on is called 'Children's Liturgy during Lockdown' and has weekly videos for each Sunday as well as craft ideas for children to have a go at which link to that Sunday's Gospel. The videos are just 10 minutes long, with a children's version of the Gospel, short explanation as well as little song, prayer and something for the children to make to help remind them of each week's Gospel message.
