WE ARE HIRING

We are recruiting a new **Head of Finance** to lead on Marriage Care's financial management, including payroll and IT systems.

The successful candidate will be a Qualified accountant (CIMA, CIPFA, ACA, ACCA) with experience of working successfully in a finance management role, ideally in the charity or not for profit sector. You will have a clear understanding of charity accounting, SORP, The Charities Act and accepted accounting principles, tax, National Insurance and pensions legislation. A high competency of using financial software packages, Excel and other Microsoft Office software is also required. You will possess demonstrable experience in financial management and interdepartmental budgeting, as well as excellent analytical problem-solving skills.

Applicants should have good verbal and written communication skills, with a 'hands-on' attitude to the management of our financial development.
